

UW-L ATHLETIC MIX

- 10% Princeton 105 Ky. Bluegrass
- 25% Diva Ky. Bluegrass
- 15% Alexa Ky. Bluegrass
- 25% Line Drive GLS Perennial Ryegrass
- 25% Panther GLS Perennial Ryegrass

**An excellent mixture for
multi-purpose sports fields and
recreational areas.**

This elite formula of Kentucky Bluegrasses and turf-type perennial ryegrasses tolerates heavy traffic and intense wear. Can establish quickly and is suitable for a diverse range of conditions.

- Excellent turf quality & strong wear tolerance
- Excellent recuperative ability
- Excellent vigor & density during summer months
- Good performance under low-mow conditions

RECOMMENDED SEEDING RATE:

**Established Lawn: 3-4 lbs/1000 sq ft
New Seeding Area: 5-6 lbs/1000 sq ft**
